

Features & Capabilities

Live Video

Capture a complete live view of your fleet with both forward facing and in-cab footage.

Distracted Driving Detection

Receive video footage when your Drivers are distracted to ensure their safety and the safety of others on the road.

Live Tracking

The IQ-Cam allows you to grasp the complete video image and tracking of your assets.

Easy Video Retrieval

Video events are available on AirIQ Fleet, so you can retrieve and save the content however you'd like.

Manual Button

Need to record a delivery or an emergency? Press the manual button and 5 seconds of footage before and after the button is pressed will be recorded.

Easy Installation

It's quick and easy. In less than 10 minutes your IQ-Cam will be installed. Just stick onto your windshield, connect the wires and you're set.
